Initial sight-reading

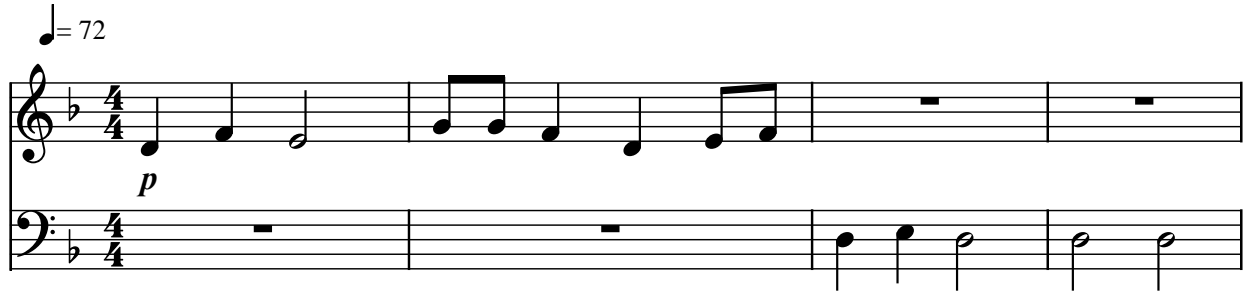

Eight exam-style exercises · ABRSM piano parameters

SIGHTORA

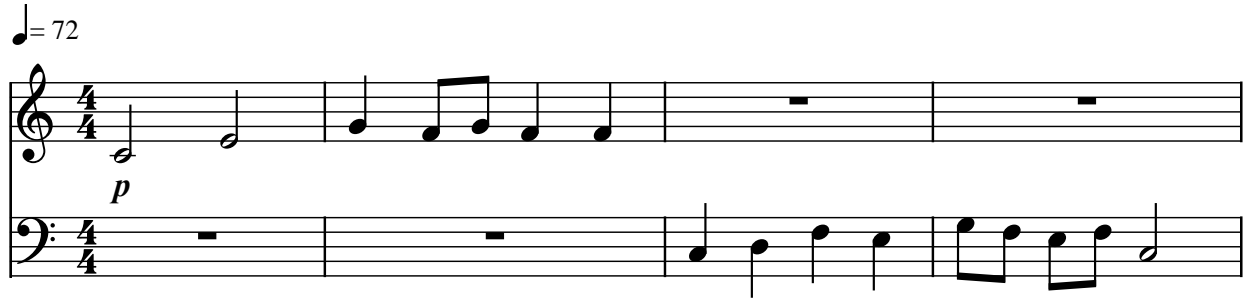

Hands take turns: right hand first.

1. Take 30 seconds before each one: key, time signature, the first note in each hand.
2. Count one bar aloud, then play without stopping. Keep the pulse even if a note goes wrong.
3. Try the hardest bar once before you start, the way the exam allows.

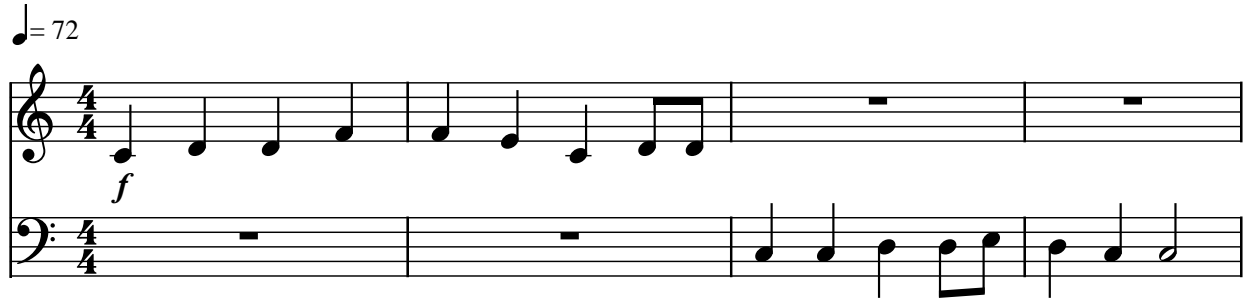

Exercise 1 D minor · 4/4

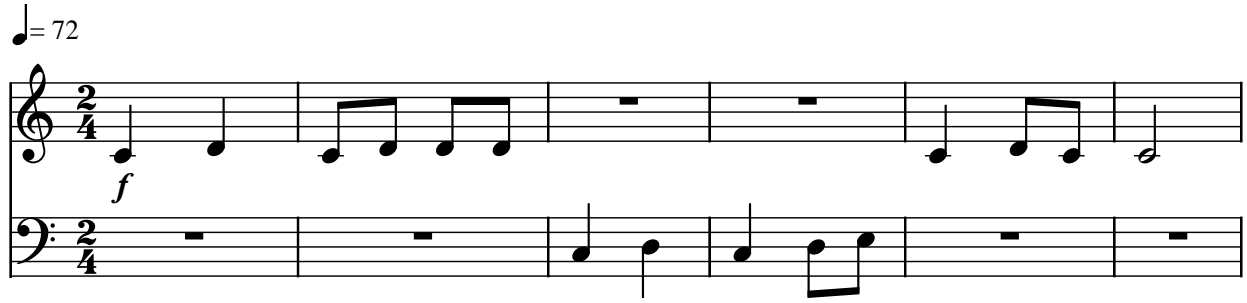

Exercise 2 C major · 4/4

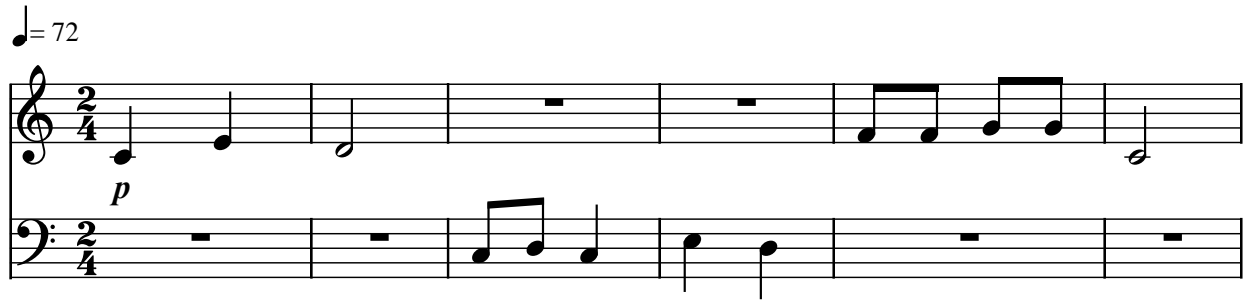

Exercise 3 C major · 4/4

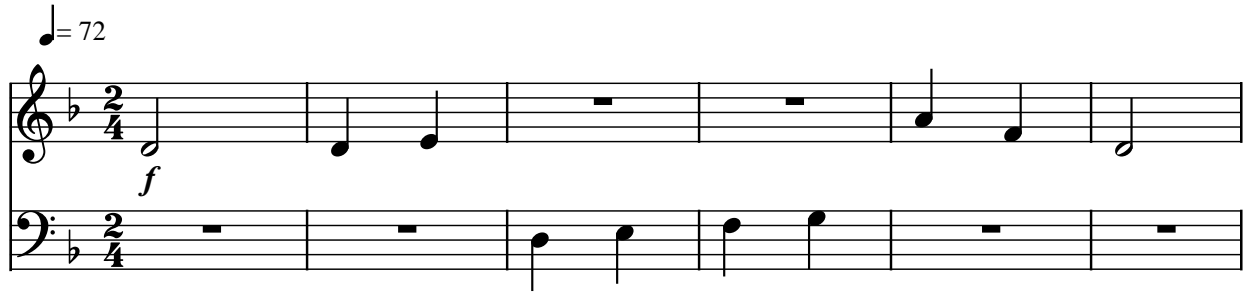

Exercise 4 C major · 2/4

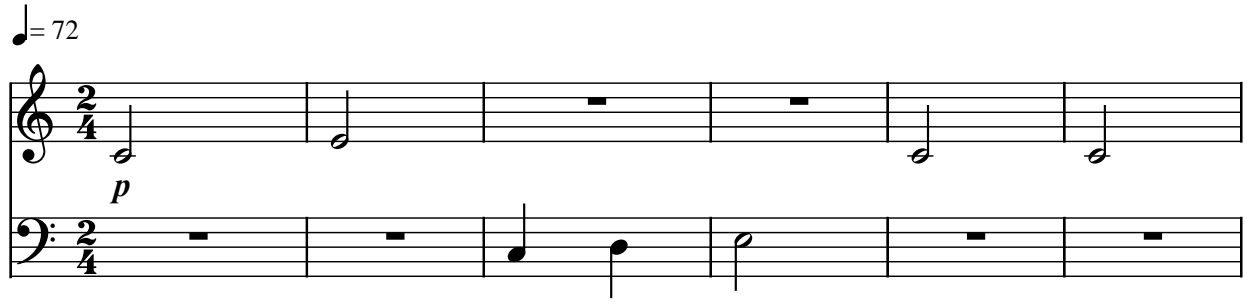

Exercise 5 C major · 2/4

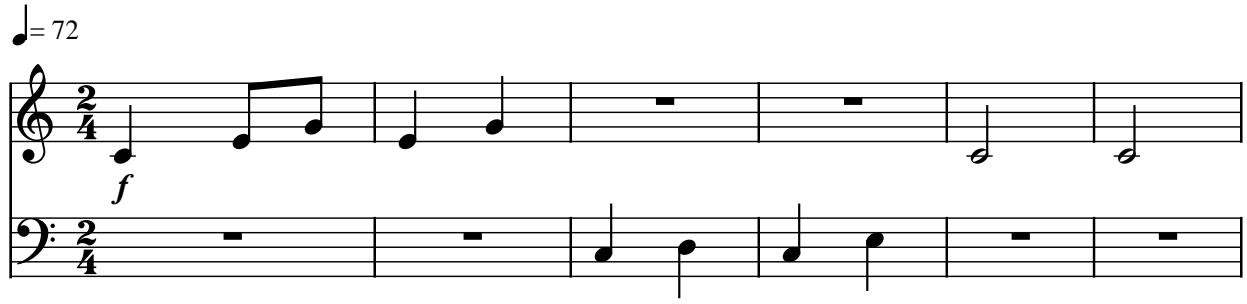

Exercise 6 D minor · 2/4

Exercise 7 C major · 2/4

Exercise 8 C major · 2/4

Sightora is independent of ABRSM. New exercises every day, marked as you play: sightora.com
